LETTER REGARDING RESUBMISSION OF AMENDMENT AFTER FINAL

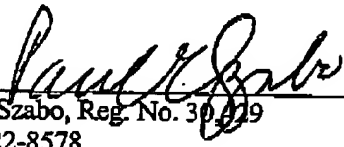

Please find attached a copy of an Amendment after final previously submitted to the U.S. Patent Office in response to the outstanding Office action dated October 26, 2004 for the above-identified patent application. The previously submitted Amendment contained a typographical error when referencing the serial number. The correct serial number for the enclosed Amendment after final should read 09/965,260. The previously submitted Amendment and \$88 check was received by the U.S. Patent Office on November 26, 2004 as shown by the enclosed copy of the first page of the Amendment which has been retrieved from PAIR. The previously submitted Amendment was thus entered in the wrong file because of the incorrect serial number. Applicant hereby requests that the Amendment after final be entered in the correct file 09/965,260 as if received on November 26, 2004. Attorney for applicant also believes that no additional claim fee is due since the previously submitted \$88 check has been received by the
